Qualification Code and Title:	RII30820 Certificate III in Civil Construction Plant Operations (Release 3)
Training Package:	RII - Resources and Infrastructure Industry Training Package (Release 9)

---

## Training, Assessment, Educational, and Support Services

Scheduled Duration:	12 months
Expected modes of delivery:	Workplace-based
Training locations:	Eligible individual's worksite
Approved Third Party:	Not applicable
Work/Practical placement:	On-the-job training

---

## Skills First Charges

Tuition fee:	No charge
Resources:	<p>There are 5 elective units require specialized equipment. National Training Services staff will undertake an equipment check before enrolment and advise you of any required equipment that is not available.</p> <p>If equipment for any of these 5 units is not available on the work site, then National Training Services may be unable to undertake training and assessment in these units or complete the qualification unless alternative elective units can be agreed on or participants can undertake some of the equipment training off-site with NTS or with another provider that has the equipment. Contact National Training Services during business hours if you want to discuss any of these options.</p> <p>Training undertaken with another RTO will be at the participant's own time and expense and a Statement of Attainment will be required by National Training Services before the scheduled completion of training so that the full qualification can be issued.</p>
Concession rates:	Not applicable
Certificate replacement Fee	\$25 on application from the student
Repeat assessment fee	\$100 per assessment only after failing two attempts
Government funding contribution:	RII30820 Certificate III in Civil Construction Plant Operations \$10,795

---

## Full Fee Student Fees

Students who are not eligible for Skills First Funding will have to pay the full fee or have their employer pay the full fee if they wish to undertake the training program.
